

How Many Planets Universe

The series originally aired on the Discovery Channel in 2010. It features different narrators for each episode per season, specifically Mike Rowe, Erik Todd Dellums, and Richard Lintern. Rowe, who narrated the first season of the show, liked to think that the idea of changing narrators through several seasons were "a collision of alternative universes," that "the same TV show narrated by me in this universe, could be narrated by someone else in an alternative universe." f83359da81
