MLA Handbook began as an abridged student version of MLA Style Manual. Both are academic style guides that have been widely used in the United States, Canada, and other countries, providing guidelines for writing and documentation of research in the humanities, such as English studies (including the English language, writing, and literature written in English); the study of other modern languages and literatures, including comparative literature; literary criticism; media studies; cultural studies; and related disciplines. Released in April 2016, the eighth edition of MLA Handbook (like its previous editions) is addressed primarily to secondary-school and undergraduate college and university teachers and students. c531d2153a
