The body may be prepared without chemical preservatives or disinfectants, such as embalming fluid, which are designed to inhibit the microbial decomposers that break the body down. It may be buried in a biodegradable coffin, casket, or shroud. The grave does not use a burial vault or outer burial container that would prevent the body's contact with soil. The grave should be shallow enough to allow microbial activity similar to that found in composting.

1ba5f77a42 Following Duarte's exile, Sánchez took leadership of the independence movement, while continuing to correspond with Duarte through his relatives. Under Sánchez, the Dominicans would successfully overthrow Haitian rule and declare Dominican independence on February 27, 1844. With the success of the separation from Haiti, Sánchez took office as the Dominican Republic's first interim president before ceding his position.

== History == 1ba5f77a42 Although natural burials present themselves as a relatively modern concept in Western societies, they have been practiced for many years in different cultures out of "religious obligation, necessity, or tradition". For example, many Muslims perform natural burial out of a duty to their religion. Others, like those in African countries, bury naturally because they cannot afford the cost... 1ba5f77a42 Natural burial grounds have been used throughout human history and are used in many countries. 1ba5f77a42 It can be generated using WPCleaner by any user. She had her first poetry published by the Ladies' Home Journal in November 1947. At the age of 16, she became the youngest ever member of the Poetry Society of America, which altered its rules to admit her. Following her 1952 interracial marriage to sculptor and labor union organizer Alfred Moskowitz, however, Espaillat drifted away from contributing to American poetry until their children had...
