In the Drivers' Championship, McLaren teammates Alain Prost and Niki Lauda enjoyed a season-long duel. Prost won seven races to equal Jim Clark's record from 1963, over Lauda's five, but the Austrian eventually prevailed by half a point – the smallest margin in Formula One history. It was Lauda's third title, but his first since 1977, breaking the record of six years between World Championship victories set by Jack Brabham in 1966. Reigning champion Nelson Piquet finished fifth in the championship. The season also saw the debut of eventual three-time World Champion Ayrton Senna. c917ab626e A steady escalation in engine development between Mercury and arch-rival OMC was already underway... c917ab626e == History == c917ab626e

The change was met with widespread negative public reaction, and New Coke came to be regarded as a significant marketing failure. Within three months, the Coca-Cola Company reintroduced the original formula under the name "Coca-Cola Classic", which produced a notable increase in sales. The reversal prompted speculation that the formula change had been a deliberate strategy to revive interest in the original product, an interpretation the company has consistently disputed. The episode generated lasting discussion about brand identity and consumer attachment, and gave rise to several conspiracy theories regarding the company's motives. Analyses of the taste-test methodology used during the product's development have...

Formula One A Formula One season consists of a series of races, known as Grands Prix. Grands Prix take place in multiple countries and continents on either purpose-built circuits or closed roads, as street circuits. The word formula in the name refers to the set of rules all participant cars must follow. The FIA Formula One World Championship has been one of the world's premier forms of motorsport since its inaugural running in 1950 and is often considered to be the pinnacle of motorsport. Formula One (F1) is the highest class of worldwide racing for open-wheel, single-seater formula racing cars run by the Formula One Group and sanctioned Formula One (F1) is the highest class of worldwide racing for open-wheel, single-seater formula racing cars run by the Formula One Group and sanctioned by the Fédération Internationale de l'Automobile (FIA) c917ab626e

The concept of a single unified championship for inshore powerboats had been conceived three years previously in 1978 when David Parkinson, an experienced PR manager, was offered the support of Mercury Marine, one of his clients, if he could establish such a series. The concept became the Canon Trophy, sponsored by another of Parkinson's clients, Canon Inc. c917ab626e The use of infant formula has been found to be associated with health risks such as type 1 and 2 diabetes, sudden infant

death syndrome (SIDS), eczema, and more when compared to infants who are breastfed. c917ab626e Unlike its compatriot rival manufacturer Honda that had more success in the sport, Toyota drew criticism for their lack of success as they never managed to win a Grand Prix with one of the sport's biggest budgets along with being the world's largest car manufacturer. Toyota was a well-funded team, but despite this, strong results had never been consistent. c917ab626e The season was marred by a horrific accident during the South African GP: Tom Pryce was unable to avoid hitting 19-year-old race marshal Frederik Jansen van Vuuren, who had tried to cross the track. The latter was killed in the collision, while his fire extinguisher struck and killed Pryce. His car proceeded to the end of the straight where it collided with Jacques Laffite's Ligier.
