

What Does It Mean When Your Left Eye Twitched

The term "lifestream" was coined by Eric Freeman and David Gelernter at Yale University in the mid-1990s to describe "...a time-ordered stream of documents that functions as a diary of your electronic life; every document you create and every document other people send you is stored in your lifestream. The tail of your stream contains documents from the past (starting with your electronic birth certificate). Moving away from the tail and toward the present, your stream contains more recent documents—papers in progress or new electronic mail; other documents (pictures, correspondence, bills, movies, voice mail, software) are stored in between. Moving beyond the present and into the future, the stream contains documents you will need: reminders, calendar items, to-do lists. The point of lifestreams isn't to shift from one software structure to another but to shift the whole premise of computerized information: to stop building glorified file cabinets and start building (simplified... 888b40bb4c He began streaming on Twitch in March 2018, while working at The Young Turks (TYT), leaving the network in 2020 to focus full-time on his streaming career. His broadcasts combine current affairs commentary, political debates, and international news with gameplay and reaction content. As of 2026, Piker's channel ranks among the platform's most-subscribed. 888b40bb4c Emoticons can generally be divided into three groups: Western (mainly from United States and Europe) or horizontal (though not all are in that orientation); Eastern or vertical (mainly from East Asia); and 2channel style (originally used on 2channel and other Japanese message boards). The most common explanation for these different styles is that in the East, the eyes play the primary role in facial expressions, while in the West, the whole face tends to be used. 888b40bb4c
