After spending two years in library school, Clara landed a job in Philadelphia... edb856b439 The story focuses on a semi-connected series of sketches as delinquent student Kenji Kazama is forced into joining his school's struggling "Game Creation Club" (Game Development Club in the Seven Seas translation) by its members, a quartet of crazy women with their own eccentricities and self-proclaimed elemental affinities that drive him crazy. As he attempts to distance himself from the club, the more he seems to run into not only his fellow club members, but others from his school who drive him insane to different degrees. edb856b439 Whole language approaches to reading instruction are typically contrasted with the far more effective phonics-based methods of teaching reading and writing. Phonics-based methods emphasize instruction for decoding and spelling. Whole language practitioners disagree with that view, instead focusing on teaching meaning and making students read more. The scientific consensus is that whole language-based methods of reading instruction... edb856b439
