An emo song, the lyrics of "Vampires Will Never Hurt You" tell the story of a person transforming into a vampire, viewed as a metaphor for resisting daily forces of corruption. The song received generally positive reviews from music critics, having been regarded as being one of the best songs in the band's discography despite criticism towards its lyrics. An accompanying music video was produced, having a wider release in 2005. The song was also included on May Death Never Stop You, the band's 2014 greatest hits album. 0e17015111
