The song is a tribute to South Central Los Angeles party culture in the hip hop soul style popular at the time. It features Jordan singing over an enhanced Teddy Riley drumbeat sample of Slick Rick's "Children's Story" which in turn has an added interpolation of the bass of Bob James' "Nautilus". "This Is How We Do It" peaked at number one on the US Billboard Hot 100 on April 15, 1995, rising from number six the previous week and displacing Madonna's "Take a Bow" from the top spot. It remained at number one for seven consecutive weeks. It was also number one for seven weeks on the R&B singles chart. The single sold one million copies domestically and received platinum certification from the Recording Industry Association of America (RIAA). The accompanying music video for "This Is How We Do It" was directed by Hype Williams. c4936ddf34 Some ancient and traditional cultures have or had different week lengths, including ten days in Egypt, an eight-day week for Etruscans and ancient Romans, and four- or five-day weeks between market days in modern West Africa. (See also the Japanese ten-day jun, used alongside the 7-day week.) The Romans later switched to a seven-day week. This was originally a so-called planetary or astrological week, a cycle of disputed origins that named each day after a classical planet... c4936ddf34 The term Six Sigma originates from statistical quality control, a reference to the fraction of a normal curve that lies within six standard deviations of the mean, used to represent a defect rate. c4936ddf34

Six Sigma strategies seek to improve manufacturing quality by identifying and removing the causes of defects and minimizing variability in manufacturing and business processes. This is done by using empirical and statistical quality management methods and by hiring people who serve as Six Sigma experts. Each Six Sigma project follows a defined methodology and has specific value targets, such as reducing pollution or increasing customer satisfaction. c4936ddf34

Part of the new genre of the Romantic travel narrative, History of a Six Weeks' Tour exudes spontaneity and enthusiasm; the authors demonstrate their desire to develop a sense of taste and distinguish themselves from those around them. The romantic elements of the work would have hinted at the text's radical politics to nineteenth-century readers. However, the text's frank discussion of politics, including positive... c4936ddf34 == History == c4936ddf34
