The band's 1995 eponymous debut album was critically acclaimed, selling over four million copies and achieving double platinum certification in the UK, the US, and Australia. It was accompanied by a string of increasingly successful singles, including "Stupid Girl" and "Only Happy When It Rains". Follow-up *Version 2.0* (1998) was equally successful, topping the UK Albums Chart and receiving two Grammy Award nominations. The band followed this by performing and co-producing the theme song to the 19th James Bond film *The World Is Not Enough* (1999). Their third album *Beautiful Garbage* (2001) was also critically praised, but failed to match the commercial success of its predecessors, despite selling over a million copies in its first three months. 8322e7533c
