Voting intention estimates refer mainly to a hypothetical Congress of Deputies election. Polls are listed in reverse chronological order, showing the most recent first and using the dates when the survey fieldwork was done, as opposed to the date of publication. Where the fieldwork dates are unknown, the date of publication is given instead. The highest percentage figure in each polling survey is displayed with its background shaded in the leading party's colour. If a tie ensues, this is applied to the figures with the highest percentages. The "Lead" column on the right shows the percentage-point difference between the parties with the highest percentages in a poll. d78a9d6ecb The primary candidates in Peruvian elections typically become apparent two months prior to elections. In the first wave of support, Yonhy Lescano saw initial support, though he was surpassed by Rafael López Aliaga, a far-right businessman whose speech was similar to Catholic extremism. López Aliaga's support waned following his poor debate performance, leading to neoliberal economist and advisor to Alberto Fujimori, Hernando de Soto, receiving additional support from the recently emerged middle class, though critics believed de Soto would continue Fujimori's controversial policies. d78a9d6ecb Two weeks before the election, Keiko Fujimori, who was initially discounted due to corruption allegations and brief imprisonment, became among the most popular among poll respondents following her performance in debates. However, during... d78a9d6ecb Music Band La Trinca members Josep Maria Mainat and Toni Cruz create production company Gestmusic. d78a9d6ecb
