

North Eastern Space Applications Centre

Vikram Sarabhai Space Centre The Vikram Sarabhai Space Centre (VSSC) is a major space research centre of ISRO, focusing on rocket and space vehicles for India's satellite programme The Vikram Sarabhai Space Centre (VSSC) is a major space research centre of ISRO, focusing on rocket and space vehicles for India's satellite programme. It is located in Thiruvananthapuram, in the Indian state of Kerala

Satish Dhawan Space Centre Satish Dhawan Space Centre - SDSC (formerly Sriharikota Range - SHAR) is the primary spaceport of ISRO, located in Sriharikota, an island in Tirupati district

== History == North-Eastern Space Applications Centre, Meghalaya, India == History == Space Applications Centre may also refer to:

Department of Space Gadanki North-Eastern Space Applications Centre (NESAC), Umiam Indian Institute of Space Science and Technology (IIST), Thiruvananthapuram - India's space science

The centre had its beginnings as the Thumba Equatorial Rocket Launching Station in 1962. It was renamed in honour of Vikram Sarabhai, often regarded as the father of the Indian space program. H.G.S. Murthy was appointed as the first director of Thumba Equatorial Rocket Launching Station.

Space Applications Centre (disambiguation) Space Applications Centre, Hisar (HARSAC), India North-Eastern Space Applications Centre, Meghalaya, India European Centre for Space Applications and Telecommunications The Space Applications Centre is an Indian research institution in Ahmedabad, India

The Vikram Sarabhai Space Centre is one of the main and largest research and development establishments within ISRO. VSSC is an entirely indigenous facility working on the development of sounding rockets, the Rohini and Menaka launchers, and SLV, ASLV, PSLV, GSLV and LVM3 families of launch vehicles. North-Eastern Space Applications Centre was set up with a joint initiative of the Department of Space and the North Eastern Council in September, 2000 at Shillong in Meghalaya, India. The centre has been declared a protected area by the state government.

Institute for Astronomy, Astrophysics, Space Applications and Remote Sensing The Institute for Astronomy, Astrophysics, Space Applications, and Remote Sensing (IAASARS/NOA; Greek: Ινστιτούτο Αστρονομίας, Αστροφυσικής, Διαστημικών

North-Eastern Space Applications Centre North-Eastern Space Applications Centre (NESAC) is a regional space centre established

in September, 2000 by joint initiative of the Department of Space North-Eastern Space Applications Centre (NESAC) is a regional space centre established in September, 2000 by joint initiative of the Department of Space, Government of India and the North Eastern Council to expedite the usage of remote sensing technology to discover natural minerals uncovered in the North-Eastern states of India and to promote overall growth of North Eastern states of India using space science and technology 36be4378ee

The Centre on Barton bounded by Ottawa Street North in the western-end and Kenilworth Avenue North on the eastern-end. It was formerly known as the Centre Mall and before that 36be4378ee

After incorporation of the Indian National Committee for Space Research (INCOSPAR) in 1962, its first act was the establishment of the Thumba Equatorial Rocket Launching Station at Thumba, in Thiruvananthapuram. Thumba was picked as the launch site for sounding rockets for meteorological and upper atmospheric research due to its location on the geomagnetic equator. H.G.S... 36be4378ee
