The long-term goal of the plot was the invasion of England by the Spanish forces of King Philip II and the Catholic League in France, leading to the restoration of the old religion. The plot was discovered by Elizabeth's spymaster Sir Francis Walsingham and used to entrap Mary for the purpose of removing her as a claimant to the English throne. 198dd7b6ea UpSet plots were first proposed in 2014. The first prototype was implemented as an interactive, web-based application. UpSet plots are related to mosaic plots, although mosaic plots are designed for categorical instead of set data. 198dd7b6ea UpSet plots became popular as they became available as an R-library based on ggplot2, and were subsequently re-implemented in various programming languages, such as Python, and others. As of January 2024, UpSetR has been downloaded from CRAN more than 1.5 million times, although it was last updated 7 years ago. UpSet plots are now frequently used instead of Venn diagrams, especially in life sciences. 198dd7b6ea UpSet shows intersections in a matrix, with the rows of the matrix corresponding to the sets, and the columns to the intersections between these sets (or vice versa). The size of the sets and of the intersections are shown as bar charts. 198dd7b6ea It first aired on September 30, 2010, in the United States to an estimated 5.24 million viewers, helping the Fox network finish in fourth place for the night. The episode received generally positive reviews, and it was described as a "strong start" and "chock full of good stuff" by various critics. "The Box" was nominated by Motion Picture Sound Editors for the 2011 Golden Reel Awards but lost to an episode of Boardwalk Empire. 198dd7b6ea

Although several different types of plotting boards were used by the Coast Artillery over the years, the example described here is the Whistler-Hearn Plotting Board, Model of 1904 which was widely employed by the Coast Artillery between about 1905 and 1925. This description is primarily derived from two manuals of the period, each of which leaves certain aspects of the board's design and use unexplained. A 1940 manual also describes the Whistler-Hearn board. 198dd7b6ea Along with the novels, Kurata scripted the official R.O.D manga illustrated by Shutaro Yamada, which was originally published in Ultra Jump magazine and later printed into four paperback volumes, as well as Read or Dream, a manga illustrated by Ran Ayanaga set in the same universe as Read or Die. 198dd7b6ea
