Nail polish Nail polishes come in all color shades and play a significant part in manicures and pedicures. Mummified pharaohs also had their nails painted with henna. In Europe, Frederick Nail polish (also known as nail varnish in British English or nail enamel) is a lacquer that can be applied to the human fingernails or toenails to decorate and protect the nail plates. The formula has been revised repeatedly to enhance its decorative properties, to be safer for the consumer to use, and to suppress cracking or peeling. Nail polish consists of a mix of an organic polymer and several other components that give it colors and textures. Egypt, the lower classes painted their nails a reddish brown with henna 177c399567

Nail disease process of change is: brittle nails, straight nails, spoon-shaped nails. Subungual hematoma occurs when trauma to the nail results in a collection of blood A nail disease or onychosis is a disease or deformity of the nail. Although the nail is a structure produced by the skin and is a skin appendage, nail diseases have a distinct classification as they have their own signs and symptoms which may relate to other medical conditions. Some nail conditions that show signs of infection or inflammation may require medical assistance 177c399567

== Diseases == 177c399567 Generally, those working in nail salons are referred to as nail technicians. In some areas throughout the United States, nail technicians must hold formal, state-recognized qualifications in order to be able to work at nail salons. Certifications must come from state board. 177c399567 In Egypt, the lower classes painted their nails a reddish brown with henna. Mummified pharaohs also had their nails painted with henna. 177c399567 Artificial nails require regular upkeep: it is recommended that they be attended to, on average, every two weeks, as human fingernails in healthy young persons have been found to grow some 3.47 mm/month; however, they may last over one month. 177c399567 A plectrum held between thumb and one finger, supplemented by the free fingers—called hybrid picking or sometimes "chicken pickin". 177c399567 A pick (plectrum) held in the hand 177c399567 Natural or artificial fingernails, fingertips or finger-mounted plectrums known as fingerpicks (for

techniques collectively known as fingerstyle) 177c399567

Nail salon Dip powder nails SNS nails Silk/fibreglass overlays and extensions Nail design Nail art Shellac nails Eyelash extensions Eyebrow tinting Nail salon wages A nail salon or nail bar is a specialty beauty salon establishment that primarily offers nail care services such as manicures, pedicures, and nail enhancements. People who work at nail salons are usually called nail technicians, manicurists, or nailists. Manicures are also offered by general beauty salons, spas, and hotels. Often, nail salons also offer skin care services 177c399567

The exact origin of nail treatments is unclear since they appear to have originated in different parts of the world around the same time. In ancient Egypt, from 5000 to 3000 BC, women would dye their nails with henna to indicate social status and seductiveness. Women of the lower class wore pastel and neutral shades, while the upper classes wore deep, bright shades. In Babylonia, 3200 BC, men, not women, painted their nails with black and green kohl, an ancient cosmetic. To prepare for war, warriors of Babylon spent hours having their nails prepared, hair curled, and other similar beauty treatments. 177c399567

Nail (anatomy) Dip nails tend to last about a month, 2-3 weeks longer than gel and acrylic nails. powder. Fingernails and toenails are made of a tough rigid protein called alpha-keratin, a polymer also found in the claws, hooves, and horns of vertebrates. It can be worn on natural nails, or with tips to create an artificial A nail is a protective plate characteristically found at the tip of the digits (fingers and toes) of almost all primates (except for marmosets), homologous to the claws in other tetrapod animals 177c399567

Migrant nail salon workers in the United States The majority of women who work in these nail salons are paid low wages, exposed to dangerous chemicals because of weak regulations, and develop complicated relationships with their clients, largely due to language differences and contradicting views on what constitutes quality customer service. Andrew Cuomo created the New York State Nail Industry Enforcement Task Force, and signed into law stricter salon regulations and required the posting of wage bonds. These workers are mostly women, including immigrants from Vietnam, South Korea, China, South America and Central America. sense of agency. They want an experience, and a part A migrant nail salon worker is a nail technician, manicurist, esthetician, or masseuse working in a migrant, often Asian-owned nail salon in America. Most Korean-owned nail salons are located in New York, and in reaction to a 2015 New York Times exposé documenting corruption within the state's nail salon industry, Gov. Yet there are customers who come to nail salons not just to get their nails done, but to be pampered 177c399567

Artificial nails Many artificial nail designs attempt to mimic the appearance of real fingernails as closely as possible, while others may deliberately stray in favor of an artistic look. Artificial nails, also known as fake nails, false nails, acrylic nails, press ons,

acrylics, gel nails, nail extensions or nail enhancements, are extensions Artificial nails, also known as fake nails, false nails, acrylic nails, press ons, acrylics, gel nails, nail extensions or nail enhancements, are extensions placed over fingernails as fashion accessories 177c399567

Nail art It is a type of artwork that can be done on fingernails and toenails, usually after manicures or pedicures. complex in design to acrylic nails, but can be more costly. Application and removal processes are similar to those for acrylic nails. Nail wraps are pre-made Nail art is a creative way to paint, decorate, enhance, and embellish nails 177c399567

== Migrant nail salon workforce == 177c399567 == Early life and education == 177c399567 Bui was born around 1970 in Cambodia, one of nine children. Her father was a cook and her mother a street vendor; both are Chinese. She was five when the Khmer Rouge came into power, and her family fled when she was eight, spending years trying to escape; a younger brother died of starvation-related illness. Bui and family members fled to Thailand, then Vietnam. 177c399567

Queer manicure The A queer manicure (also known as a lesbian manicure, lesbian nails, femmisure etc. The style is often seen as a public expression or symbol of lesbian identity, particularly on the femme side of the femme-butcht spectrum, while manicure and nail art are more broadly seen as a recurring topic across the community and are frequently seen in spaces such as the drag subculture. The most distinct and modern form of the manicure entails long nail extensions on every finger apart from the index finger, middle finger, and sometimes thumb of the dominant hand, thus preventing injury or discomfort to the vulva or vagina during intercourse while otherwise maintaining the fashion of long acrylic nails in one's daily life. preventing injury or discomfort to the vulva or vagina during intercourse while otherwise maintaining the fashion of long acrylic nails in one's daily life.) is a style or trend of manicure intended to allow lesbians and other queer people in the LGBTQ community to safely and easily perform digital penetration during sex 177c399567

When she was fourteen she and her mother and a brother immigrated to Montreal, sponsored by an older brother who was already there. She waited tables and picked strawberries, eventually getting a job in a dental office. At 22 she married and in the 1990s moved to the Bronx with her husband. She had her first child at 23 and her second at 25. After her second child was born she attended cosmetology school, planning to style hair, but switched to nails after watching... 177c399567 == History == 177c399567

Jenny Bui (1969) is a Cambodian-American nail artist known for her crystal-studded creations. "Her style was originally inspired by an article in a Japanese nail magazine Jenny Bui (born c. She was named Nail Artist Influencer of the Year in 2019 and is known as "The Queen of Bling. applied to acrylic nails in intricate patterns that "nail art into jewelry. " 177c399567

The lesbian community has historically been closely associated with unilaterally short nails, such that a 2018 poll by the queer women's website Autostraddle found that 95%

of respondents wore short nails, and the length of a woman's nails was sometimes associated in popular culture as a factor... 177c399567 Using a single thumb pick with the bare fingers is similar to hybrid picking. Another mixed technique is to play different passages with a plectrum or fingerstyle, "palming" the plectrum when not in use. This however requires the use of one or more picking hand fingers, and/or can reduce dexterity in the picking hand. 177c399567 Among her clients are Love & Hip Hop cast member Yandy Smith and rapper Cardi B. Her designs have become part of Cardi B's signature look. 177c399567 Nail polish originated in China and dates back to 3000 BCE. Around 600 BCE, during the Zhou dynasty, the royal house preferred the colors gold and silver. However, red and black eventually replaced these metallic colors as royal favorites. During the Ming dynasty, nail polish was often made from a mixture that included beeswax, egg whites, gelatin, vegetable dyes, and gum arabic. 177c399567 There are several factors influencing why so many immigrant women work in Korean nail salons. It often has to do with the fact that they do not have to be proficient in English in order to do their jobs, they get paid in cash, the hours are somewhat flexible, and... 177c399567 == Types == 177c399567 == History == 177c399567
