So this is a very good time to you look at possibly adding synthetics to your altcoin token collection. [fc9elf2058 Disclaimer and Welcome fc9elf2058 Warning for Crypto .Com Users fc9elf2058 the utility of UNI fc9elf2058 Another way is to go to CoinMarket Cap and look at the 24-hour changes. If you see something in double digits this is where I look to short the market because it means this token has appreciated a lot and therefore is primed for a pullback. fc9elf2058 Playback fc9elf2058 General fc9elf2058 DODO is another one that's been quite volatile the last couple of days. DODO Perpetual contracts got released and it continued pumping then had a pullback. Now I actually shorted the highs which is great and then I shorted this secondary wick. I decided to sell into the pumps and short the market because these tokens can't go up forever. fc9elf2058 Liquidity mining from tomorrow fc9elf2058 How To Find New Coin Listings On Binance | Find Listings Early On Binance \(2026 Guide\) - How To Find New Coin Listings On Binance | Find Listings Early On Binance \(2026 Guide\)](#) 1 minute, 19 seconds - [How To Find New Coin Listings On **Binance**, | Find Listings Early On **Binance**, \(2026 Guide\)](#) In this video, you'll learn how to find ...
