Samuel Benjamin Morse was born into enslavement in Lacy, McIntosh County, Georgia, in 1852, the only child of Samuel Gordon Morse and Patience Mary Morse. His father was enslaved as a coachman. Both of his parents had been born into enslavement in Georgia, his mother in Savannah and his father in McIntosh County. Their enslaver was William H. Bennett, a wealthy planter with plantations in McIntosh and Chatham counties and enslaver of 128 people. cab8d145f6 After graduation he began his three-year medical apprenticeship under Dr. John G. Morgan, the physician at the New York State Prison of Auburn. Under Dr. Morgan's tutelage he studied anatomy and used his innate artistic talents to create oil paintings of nearly every part of the human body. He attended lectures at Fairfield and Western College of Physicians and Surgeons in New York. He received his license to practice medicine in 1833 and received the degree of Medical Doctor from the University of Pennsylvania in 1835. Among the many positions of honor and trust which he held was the presidency of the New York Society of Medical Jurisprudence. cab8d145f6 == Early life == cab8d145f6
