@Theairportman33531 Hello, and welcome to the Teahouse! I had a little trouble finding the article that you are referring to, but I believe that you should be referring to 1939 Washington Senators season and the template being Template:1939 American League standings or Template:1939 AL Record vs. opponents. You should go to the template page and edit from there, and the changes would be reflected on the article itself when the edit is published.
