Green Island (Queensland) In the 2021 census, Green Island had a population of 20 people. In the 2021 census, Green Island had a population of 20 people Green Island (originally Dabuukji) is a marine island and locality in the Cairns Region, Queensland, Australia. Dabuukji) is a marine island and locality in the Cairns Region, Queensland, Australia f89c77f4ce

In the 2021 census, the locality of Muttaborra had a population of 158 people. f89c77f4ce

Old Isisford District Hospital It was designed by Queensland Department of Public Works and built from. hospital at 6 St Agnes Street, Isisford, Longreach Region, Queensland, Australia f89c77f4ce

The island supports a range of vegetation, including dry coastal/beach plants and a vine thicket rain forest. There are no natural freshwater springs on the island so all vegetation relies on rainwater and a small freshwater lens located under the island. f89c77f4ce The landscape is an open Mitchell grass downs country, which provides good grazing country. Grey Range is located near Yaraka and is characterised by rocky ridges, spinifex grass and mulga. f89c77f4ce

Queensland It is bordered by the Northern Territory, South Australia and New South Wales to the west, south-west and south, respectively. Queensland (locally /'kwi:nzlænd/ KWEENZ-land, commonly abbreviated as QLD or Qld) is a state in northeastern Australia, the second-largest and third-most-populous Queensland (locally KWEENZ-land, commonly abbreviated as QLD or Qld) is a state in northeastern Australia, the second-largest and third-most-populous state in Australia. With an area of 1,723,030 square kilometres (665,270 sq mi), Queensland is the world's sixth-largest subdivision of any country on earth; it is larger than all but 16 countries. Due to its size, Queensland's geographical features and climates are diverse, and include tropical rainforests, rivers, coral

reefs, mountain ranges and white sandy beaches in its tropical and sub-tropical coastal regions, as well as deserts and savanna in the semi-arid and desert climatic regions of its interior. To the east, Queensland is bounded by the Coral Sea and the Pacific Ocean; to the state's north is the Torres Strait, separating the Australian mainland from Papua New Guinea, and the Gulf of Carpentaria to the north-west

Muttaburra is in the central west of Queensland. The town is located on the banks of the Thomson River, which is part of the Lake Eyre drainage basin. The Hughenden–Muttaburra Road enters from the north and exits as Muttaburra–Aramac Road to the east. The region is with a sub-basin of the Great Artesian Basin. The Great Artesian Basin supplies water from bores to the towns of Muttaburra and Aramac. The area is well known for its good quality land that is used for sheep and cattle grazing. The main industry of the Muttaburra area is grazing. History == Geography == The undeveloped town of Scarrbury is within the locality (22.9333°S 144.7000°E / -22.9333; 144.7000 (Scarrbury)). Scarrbury is located on Aramac Creek along Vera Park Road.

Until 2021, the town of Yaraka was part of the locality of Isisford. Until 2021, the town of Yaraka was part of the locality of Isisford

The train arrived in Longreach at...

Capricornian The Capricornian was a passenger train that operated in Queensland, Australia between 1970 and 1993. It travelled on the North Coast line between Brisbane

Completing its initial run from Brisbane to Rockhampton, The Midlander arrived in Rockhampton at 4pm on 4 May 1954. The Midlander then commenced its maiden journey, departing from the Rockhampton railway station for Winton at 5:25pm. About 100 people watched from the platform as the train made its departure. Most of the available accommodation on the train was booked out for the first journey. Among the passengers on the train's first run to Winton were Minister for Transport Jack Duggan, Minister for Education George Devries and Member for Mackenzie Paddy Whyte. The locality has the following mountains: Green Island is coral cay 27 km (17 mi) offshore from Cairns, Queensland, Australia located within the Great Barrier Reef Marine Park World Heritage Area in the Coral Sea. The island is surrounded by coral reef and protected in the Green Island

National Park. Most visitors come for the day. A luxury resort with 46 rooms is situated on the island. f89c77f4ce The Queensland Ambulance Transport Brigade began in Brisbane in 1892. It was formed by Seymour Warrian of the Army Medical Corps after seeing an accident victim suffer considerable aggravation of his injuries through inexpert transport to hospital. The Brigade aimed to provide first aid and skilled transport to hospital for the sick and injured. In the first years the Brigade was wholly funded by subscription, but met such an important need that from 1895 they were subsidised by the Queensland Government, both directly and by involving the Department of Works in... f89c77f4ce The former Queensland Ambulance Transport Brigade (QATB) centre in Longreach is a two-storey timber building purpose built for the Brigade in 1921, and in use as an Arts and Crafts centre since 1973. f89c77f4ce

The Midlander (Queensland Rail) Line to Winton in 1928, a bi-weekly train ran from Longreach to Winton. In the 1950s, Queensland Rail began introducing a fleet of steel air-conditioned The Midlander was a passenger train that operated in Queensland, Australia between 1954 and 1993. It travelled on the Central West line between Rockhampton and Winton f89c77f4ce

Yaraka is in Central West Queensland, Australia. It was the terminus of a Yaraka branch railway line. It is located 220 kilometres (140 mi) south of Longreach, 165 kilometres (103 mi) west of Blackall and 100 kilometres (62 mi) south of the town of Isisford. f89c77f4ce
