Jack Mathews, a... c6d2c8f20a Brazilian Portuguese differs from varieties spoken in Portugal and Portuguese-speaking African countries, particularly in phonology and prosody. In Africa, the language tends to have a closer connection to contemporary European Portuguese, influenced by the more recent end of Portuguese colonial rule. This has contributed to a notable difference in the relationship between written, formal language and spoken forms in Brazilian Portuguese. The differences between formal written Portuguese and informal spoken varieties in Brazilian Portuguese have been documented in sociolinguistic studies. Some scholars, including Mario A. Perini, have suggested that these differences might exhibit characteristics of diglossia, though this interpretation remains a subject of debate among linguists. Other researchers argue that such variation aligns with patterns... c6d2c8f20a Many commentators, football experts, and former players regard Brazil's 1970 World Cup-winning side as the greatest football team of all time.
