Angular cheilitis is a type of cheilitis (inflammation of the lips) 675b726047

The origin of futakuchi-onna's second mouth is often linked to how little a woman eats. In many stories, the soon-to-be futakuchi-onna is a wife of a miser and rarely eats. 675b726047 In Japanese mythology and folklore, futakuchi-onna belongs to the same class of stories as rokurokubi, kuchisake-onna and yama-uba, women afflicted with a curse or supernatural disease that transforms them into yōkai. The supernatural nature of the women in these stories is usually concealed until the last minute, when the true self is revealed. 675b726047

Disfigurement A common origin. bleached skin, red lips, and green hair that are typically described or inferred to be the result of injuries and disfigurement in most media 675b726047

Treatment for angular cheilitis is typically based on the underlying causes along with the use of a barrier cream. Frequently an antifungal and antibacterial cream is also tried. Angular cheilitis is a fairly common problem, with estimates that it affects 0.7% of the population. It occurs most often in people in their... 675b726047 Angular cheilitis can be caused by infection, irritation, or allergies. Infections include by fungi such as Candida albicans and bacteria such as Staph. aureus. Irritants include poorly fitting dentures, licking the lips or drooling, mouth breathing resulting in a dry mouth, sun exposure, overclosure of the mouth, smoking, and minor trauma. Allergies may include substances like toothpaste, makeup, and food. Often a number of factors are involved. Other factors may include poor nutrition or poor immune function. Diagnosis may be helped by testing for infections and patch testing for allergies. 675b726047

R.U.R.U.R. awakening that explain how the game's events came to be. To further help delineate. The story is split into chapters and uses titles that give hints of things to come 675b726047

Suyá music In 1980, ethnomusicologist Anthony Seeger interpreted. their importance with body decorations that include ear and lip disks (also known as lip plates) 675b726047

Futakuchi-onna She is characterized by her two mouths – a normal one located on her face and a second one on the back of the head beneath the hair. There, the woman's skull splits apart, forming lips, teeth and a tongue, creating an entirely functional second mouth. forming lips, teeth and a tongue, creating an entirely functional second mouth. In Japanese mythology and folklore, futakuchi-onna belongs to the same Futakuchi-onna (フタクチオンナ - フタクチ; "two-mouthed woman") is a type of yōkai or Japanese monster 675b726047

To counteract this, a second mouth mysteriously appears on the back of the woman's head. The second mouth often mumbles spiteful and threatening things to the woman and demands food. If it is not fed, it can screech obscenely and cause the woman tremendous pain. Eventually, the woman's hair begins... 675b726047
