Wikipedia:Reference desk/Archives/Science/2013 July 23 Now I can take benadryl 25mg, but have had to take as many as 24 a day (with doctor approval, believe it = July 23 =. years ago from fear it would be used to cook meth 47ebe59433

Wikipedia:Reference desk/Archives/Science/March 2006 I've actually never seen benadryl before, and I don't know (yet) how powerful = March 1 =. know, I didn't think that giving a child benadryl was an obvious solution 47ebe59433

The 999 phone charging myth is an urban legend which claims that calling an emergency telephone number, then promptly hanging up, charges mobile phone batteries. 47ebe59433 == Sisi-Forever my Love == 47ebe59433 The 1962 Halloween massacre was an urban legend about a photo of a Halloween costume party in 1962, in which seven people were reportedly killed. 47ebe59433

Curb Your Enthusiasm season 3 covered was religion, particularly in "Mary, Joseph and Larry" and "The Benadryl Brownie". The ten-episode season was broadcast in the United States on HBO, where its ratings had doubled from the previous season's. A key theme of the season is Larry's ability to be more enthusiastic The third season of the American television comedy series Curb Your Enthusiasm premiered on September 15, 2002, and concluded on November 17, 2002 47ebe59433

The 27 Club is an urban legend that popular musicians and other celebrated artists die at age 27 with statistically anomalous frequency, notably, Jimi Hendrix, Brian Jones, Janis Joplin, Mia Zapata, Jim Morrison, Kurt Cobain, Jean-Michel Basquiat, Kim Jonghyun and Amy Winehouse. The claim of a "statistical spike" for the death of musicians at that age has been repeatedly disproven by studies. 47ebe59433

List of urban legends a humanoid shadow person who appears after someone takes too much medicine, particularly Benadryl. Urban legends are often rooted in local history and popular culture. He is described as a tall, dark silhouette with the This is a list of urban legends. It often consists of fictional stories associated with the macabre, superstitions, ghosts, demons, cryptids, extraterrestrials, creepypasta, and other fear generating narrative elements. An urban legend or urban myth is a modern genre of folklore 47ebe59433

Drugs in pregnancy The Food and Drug Administration (FDA) in the United States reports that there are six million pregnancies with at least 50% of the women taking at least one medication. Some of the consequences on the babies include physical and mental abnormalities, higher risk of stillbirth, neonatal abstinence syndrome

(NAS), sudden infant death syndrome (SIDS), low birthweight, and others. In addition a reported 5–10% of women of childbearing age use alcohol or other addictive substances. Tobacco, alcohol, marijuana, and illicit drug use while pregnant may be dangerous for the unborn baby and may lead to severe health problems. Drugs, including medications and recreational drugs, may have effects during pregnancy on the pregnant woman and fetus that vary from the effects of the drug on people who are not pregnant. Of those who bear children, recreational drug use can have serious consequences to the health of not only the mother, but also the fetus as many medications can cross the placenta and reach the fetus. the unborn child

I was wondering if it was possible for future moon colonization for the colony's oxygen supply to be totally reliant on plants? Could the colonists provide the plants with their carbon dioxide while the plants supplied them with oxygen? 47ebe59433

Creep (2014 film) Disturbed, Aaron crushes Benadryl to put Josef to sleep Creep is a 2014 American found footage psychological horror film directed by Patrick Brice, his directorial debut, from a story by Brice and Mark Duplass, who both star in the film. Filmed as found footage, Brice portrays a videographer assigned to record an eccentric client, played by Duplass. Brice and Duplass refined the film's story during filming, which resulted in multiple versions of each scene and several alternate end scenarios. and raped Angela while wearing it after discovering bestiality porn in her internet search history. Creep was inspired by Brice's experiences on Craigslist and the movies My Dinner with Andre, Misery, and Fatal Attraction 47ebe59433

The radiodensity of iodinated contrast is 25–30 Hounsfield units (HU) per milligram of iodine per milliliter at a tube voltage of 100–120 kVp. 47ebe59433 Iodine-based contrast media are usually classified as ionic or nonionic. Both types are used most commonly in radiology due to their relatively harmless interaction with the body and their solubility. Contrast media are primarily used to visualize vessels and changes in tissues on radiography and CT (computerized tomography). Contrast media can also be used for tests of the urinary tract, uterus, and fallopian tubes. It may cause the patient to feel as if they have had urinary incontinence. It also puts a metallic taste in the patient's mouth. 47ebe59433 == 0–9 == 47ebe59433 == Help identifying a plant. == 47ebe59433 == Plot == 47ebe59433 In the United States, 90% of allergic responses to foods are caused by eight foods, including cow's milk. Recognition that a small number of foods are responsible for the majority of food allergies has led to requirements to prominently list these common allergens, including dairy, on food labels. One function of the immune system is to defend against infections by recognizing foreign proteins, but it should not overreact to food proteins. Heating milk proteins can cause them to become denatured, losing their three-dimensional configuration and allergenicity, so baked goods containing dairy products may be tolerated while fresh milk triggers an allergic reaction. 47ebe59433 However, some requests are just so off-the-wall that they would be unfit even for the reference desk. In keeping with the spirit of archiving other silly things, this page lists some of those strange requests for the purpose of a little harmless amusement. See also Wikipedia:Talk page highlights. 47ebe59433
