The park and mall are named for Westlake Avenue, which now terminates north of the mall, but once ran two blocks farther south to Pike Street through the present site of the mall and park. These two Malta IPs have been removing the flying ace status of Lydia Litvyak at her bio and at List of World War II aces from the Soviet Union. Me and PlanespotterA320 have been countering this vandalism. The person has also removed Germany from the Irreligion article, and muscle mass from the Sex differences in human physiology article.
