Just Give Me a Cool Drink of Water 'fore I Diie Early in her writing career she began a practice of alternating the publication of an autobiography and a volume of poetry. Although her poetry collections have been best-sellers, they have not received serious critical attention and are more interesting when read aloud. Angelou considered herself a poet and a playwright, but is best known for her seven autobiographies. Many of the poems in Diie were originally song lyrics, written during Angelou's career as a night club performer, and recorded on two albums before the publication of Angelou's first autobiography I Know Why the Caged Bird Sings (1969). Musically, *When We All Fall Asleep, Where Do We Go?* is an electropop, avant-pop, and art pop record, though it also features influences from hip-hop and industrial music. Its songs explore themes such as modern youth, drug addiction, heartbreak, suicide, and mental health, with lyrical sensibilities of humor and horror. The album's title comes from a line in the song "Bury a Friend". Eilish said the album was inspired in part by lucid dreaming and night terrors, which are reflected on the cover photo. 22f2b1d193
