Harold and the Purple Crayon According to *How to Draw the World: Harold and the Purple Crayon and the Making of Children’s Classic*, Nel delves into how the color purple is historically cfbc2c236b

Shades of purple depending on how the dye was formulated. Lesser royal houses that wanted to economize could mix Tyrian

purple dye with the much less expensive indigo to create There are numerous variations of the color purple, a sampling of which is shown below

== Background and composition ==

Purple In the RYB color model historically used in the arts, purple is a secondary color created by Purple is a color similar in appearance to violet light. In the RGB color model used in computer and television screens, purple is created by mixing red and blue light in order to create colors that appear similar to violet light. Purple is a color similar in appearance to violet light. According to color theory, purple is considered a cool color. In the CMYK color model used in modern printing, purple is made by combining magenta pigment with cyan pigment, black pigment, or both. In the RYB color model historically used in the arts, purple is a secondary color created by combining red and blue pigments

Purple has long been associated with royalty, originally because Tyrian purple dye—made from the secretions of sea snails—was extremely expensive in antiquity. Purple was the color worn by Roman magistrates; it became the imperial color worn by the rulers of the Byzantine Empire and the Holy Roman Empire, and later by Roman Catholic bishops. Similarly in Japan, the color is traditionally associated with the emperor and aristocracy.

Deep Purple (album) Deep Purple, also referred to as Deep Purple III, is the third studio album by the English rock band Deep Purple, released in June 1969 on Tetragrammaton

However, the meaning of the term purple is not well defined. There is confusion about the meaning of the terms purple and violet even among native speakers of English. Many native speakers of English in the United States refer to the blue-dominated spectral color beyond blue as purple, but the same color is referred to as violet by many native English speakers in the United Kingdom. The full range of colors between red and blue is referred to by the term purple in some British authoritative texts, whereas the same range of colors is referred to by the term violet in some other texts. 2015 was a significant year in rapper Future's career. Purple Reign Purple Reign follows the commercial collaborative mixtape *What a Time to Be Alive* with Canadian rapper

Drake. It was released on January 17, 2016, with an 11-hour notice via LiveMixtapes and DatPiff. The mixtape features production from frequent collaborators Metro Boomin, Southside, Zaytoven, DJ Spinz, and Nard & B, among others. It is Future's first non-commercial mixtape since the mixtape trilogy *Monster* (2014), *Beast Mode*, and *56 Nights* (2015). Purple Reign is the sixteenth mixtape by American rapper Future, hosted and executive-produced by DJ Esco and Metro Boomin. The title and cover font is a tribute to Prince's landmark 1984 album *Purple Rain*, which is stylized in the same fashion.

The single "Wicked" would later be included on streaming editions of Future's fourth studio album, *Evol*, which released a month after *Purple Reign*. The mixtape was re-released for streaming platforms on April 16, 2020, with different cover art, without the "Intro", "Wicked" and including the song "News or Something".
