In a double rainbow, a second arc is seen about 10° outside the primary arc. Its colours are perceived to be in reverse order, with red on the lower side of the arc. 2294372141

Vegetable sandwich Vegetable sandwich is a type of vegetarian sandwich consisting of a vegetable filling between bread. The idea of the rainbow vegetable sandwich is to layer the vegetables in different colours to create a spectrum of colours. Vegetable sandwiches are served throughout the world and are a popular street food in India. There are no set requirements other than the use of vegetables, and sandwiches may be toasted or untoasted. a popular student lunch 2294372141

The Guinness World Records holder of the longest-lasting rainbow observed was 8 hours... 2294372141 42 units were produced, which were seen towering atop midways all over the world. The more popular "traveling model" was created, plus several permanently installed "park models." Some units were converted to the opposite model later in their existence. It is believed that two units were converted from its older brother, the Ranger, which uses the same

chassis and main support structure, except the Ranger flips riders upside-down, whereas the gentler Rainbow's gondola stays horizontal, leaving riders upright during the entire rotation. 2294372141 == History == 2294372141

Rainbow Its colours are perceived to be in reverse order, with red on the A rainbow is an optical phenomenon caused by refraction, internal reflection and dispersion of light in water droplets resulting in a continuous spectrum of light appearing in the sky. The rainbow takes the form of a multicoloured circular arc. Rainbows caused by sunlight always appear in the section of sky directly opposite the sun. In a double rainbow, a second arc is seen about 10° outside the primary arc. leaving it. These include not only rain, but also mist, spray, and airborne dew. Rainbows can be caused by many forms of airborne water 2294372141

Rainbows in culture The rainbow has found a place in the mythological systems of many cultures. The rainbow has been a favorite component of art and religion throughout history 2294372141

Rainbow crossings may be installed just for particular occasions, such as events or Pride parades while others may be permanent fixtures of cities, especially when they are installed in gay villages. 2294372141 The song has been used to teach children names of colours. Despite the name of the song, two of the seven colours mentioned ("red and yellow and pink and green, purple and orange and blue") – pink and purple – are not actually a colour of the rainbow (i.e. they are not spectral colors; pink is a variation of shade, and purple is the human brain's interpretation of mixed red/blue [see line of purples])). They are also not presented in order of the visible light spectrum. 2294372141

Rainbow runner The rainbow runner (*Elagatis bipinnulata*), also known as the rainbow yellowtail, Spanish jack and Hawaiian salmon, is a common species of pelagic marine 2294372141

The cucumber sandwich originated in the UK. They are traditionally served with afternoon tea and on formal occasions. The cucumber is expected to be sliced as thinly as possible. The slices in a well presented cucumber sandwich

should pass daylight. 2294372141

Just Another Rainbow Gallagher sings the colours of the rainbow in order on the track. The artwork, credited to Jamie Hutchinson and John Squire, depicts a can of lacquer spray 2294372141
