In early stages of development for Inside Out, Joy was going to be the main source of narrative tension as she wouldn't let Riley grow up. Kevin Nolting said they changed the character arc as "the essence of the problem was, Joy wasn't likable, she was putting Riley in embarrassing situations; Riley was in middle school, but Joy was making her act like a child. As an audience member, you weren't rooting for Joy." Joy was going to be paired with Fear and not Sadness for the film's story, but this was changed as the writers found Joy and Sadness as more... df3e10cda5 Inside Out debuted out of competition at the 68th Cannes Film Festival on May 18, 2015, and was released in the United States on June 19.
