According to tradition Huineng was an uneducated layman who suddenly attained awakening (開悟; jianxing) upon hearing the Diamond Sutra. Despite his lack of formal training, he demonstrated his understanding to the fifth patriarch, Daman Hongren, who then supposedly chose Huineng as his true successor instead of his publicly known selection of Yuquan Shenxiu. Huineng is regarded as the founder of the "Sudden Enlightenment" Southern Chan school of Buddhism, which focuses on an immediate and direct attainment of Buddhist enlightenment. The Platform Sutra of the Sixth Patriarch (六祖壇經), which is said to be a record of his teachings, is a highly influential text in the East Asian Buddhist tradition. c1043fa781 == Plot == c1043fa781

== Anticipation == The attraction to the date is due to apophenia. Twosday was described by How Stuff Works as an example of humans being conditioned under societal institutions to notice only some while ignoring other coincidences that surround them. Attraction to numerology was cited as a reason as well. According to University of Portland professor Aziz Inan, the palindrome is one of the "ubiquitous palindromes", as it retains its defining characteristics globally, despite the differences in national date formats. treatment setting, sobriety is the achieved goal of independence from consuming alcohol. As such, sustained abstinence is a prerequisite for sobriety. Early in abstinence, residual effects of alcohol consumption can preclude sobriety. These effects are labeled "PAWS", or "post-acute-withdrawal syndrome". Someone who abstains, but has a latent desire to resume use, may be termed a "dry drunk" and not considered truly sober. An abstainer may be subconsciously motivated to resume alcohol consumption, but for a variety of reasons, abstains (e.g. a medical or legal concern precluding use). c1043fa781 Like a number of successful Paul McCartney songs, "Beware My Love" is made of several disparate elements. The song begins with a brief harmonium melody followed by a repeated acoustic guitar figure. (The song's album version has the previous song, "She's My Baby", fading out into the harmonium intro; "Beware"'s single version fades in as the harmonium part fades out into the acoustic guitar riff.) This calm intro provides a contrast with the propulsiveness of main body of the song. Linda McCartney sings the intro and outro movements, with her voice multi-tracked, effectively singing on behalf of Paul McCartney—who sings the... c1043fa781 Sobriety has more specific meanings within specific contexts, such as the

Twosday February 22, 2022. It is also an ambigram. In countries that apply the ISO 8601 international standard for the calendar, there is an additional congruence as Tuesday is the second day of the week under this scheme. The name is a portmanteau of two and Tuesday, deriving from the fact that the digits of the date form a numeral palindrome marked by exclusivity or prevalence of the digit 2—when written in different numerical date formats, such as: 22/02/2022, 22/2/22 and 2/22/22. The term Jing zuo simply means 'sitting quietly'. The collocation soon acquired more specific meanings, referring to methods of quiet sitting that were practiced for medical or spiritual purposes. In early sources, such as the philosophical work Hanfeizi in the 3rd century BCE, Jing zuo seems to have been mainly understood as being a health benefit, but some centuries later spiritual practices were also referred to using this term. At the outset, it was not limited to Confucianism, but could equally be used about Buddhist and Daoist practices. The term became widely used in the Song dynasty and became the preferred term for seated meditation among Neo-Confucians, who tended to avoid more narrowly Buddhist or Daoist terms. In modern Western parlance, it often refers specifically to Neo-Confucian forms of meditation, but it is also used for other religious and non-religious practices. c1043fa781 ==

Its initial inspiration draws from the account of Jesus being presented at the temple 40 days after his birth, in a ritual of purification depicted in the Gospel of Luke. It is both a noun (e.g. a palagi, or a European person) and an adjective (e.g. Palagi house, i.e. a non-traditional Samoan house). The word is a cognate in other Polynesian languages and has gained widespread use throughout much of western Polynesia, including in Tokelau, Tuvalu, Wallis and Futuna, and Fiji. c1043fa781 The book was criticised for its claims that schoolchildren are deliberately misled, and its

conclusions as to the evidential status of the theory of evolution, which is considered by scientists to be the central unifying paradigm of biology. Kevin Padian and Alan D. Im Frieden dein, o Herre mein In 1527 the early Reformer Johann Englisch (Johannes Anglicus) wrote two stanzas as a rhyming close paraphrase of the Nunc dimittis, or Canticle of Simeon. Friedrich Spitta revised the lyrics in 1898 and added a third stanza. Englisch begins "Im Frieden dein, o Herre mein" (In Your peace, o my Lord) is a German Christian communion hymn in three stanzas. The hymn is sung to a melody by Wolfgang Dachstein, written before 1530. Simeon said so after actually seeing the baby Jesus, 40 days after his birth, and for him departing in peace could mean readiness to die. His revision transformed Englisch's prayer of an individual with a focus on a peaceful death to a communal one more about peaceful life in unity c1043fa781
