platform that presaged the liberalism of the New Deal Democrats of the 1930s. He split with his chosen presidential successor William Howard Taft and in 1912 tried and failed to stop the conservative Republicans from renominating Taft and taking control of the party. In terms of foreign policy, however, Roosevelt appealed to conservatives by promoting nationalism, imperialism (as in the Philippines), using force to obtain control of the Panama Canal, and building a powerful world-class navy. He also served as the vice president of the United States (1901) and governor of New York (1899–1900) d522c1066a
