In the past, urban legends were most often circulated orally, at gatherings and around the campfire for instance. Now, they can be spread by any media, including newspapers, mobile news apps, e-mail, and most often, social media. Some urban legends have passed through the years/decades with only minor changes, in where the time period takes place. Generic urban legends are often altered to suit regional variations, but the lesson or moral generally remains the same. af0a2ffdfc These legends can be entertaining but often concern mysterious and troubling events, such as disappearances and strange objects or entities. Urban legends may confirm moral standards, reflect prejudices, or be a way to make sense of societal anxieties. af0a2ffdfc
