## Lab Rats

Lab Rats (British TV series) Lab Rats is a 2008 BBC Two situation comedy set in a university science laboratory starring Chris Addison, who co-wrote the series with Carl Cooper. The series was produced by regular collaborator Simon Nicholls and directed by Adam Tandy. The Lab Rats is a 2008 BBC Two situation comedy set in a university science laboratory starring Chris Addison, who co-wrote the series with Carl Cooper. Its executive producer was Armando Iannucci with whom Addison worked in *The Thick of It*

Lab Rats is set in the Arnolfini, a research lab (and staff) for hire in St. Dunstan's University, designed to make some money for the university by carrying out research on behalf of other people. == Plot summary == The novel revolves around a colony of escaped lab rats—the rats of NIMH—who live in a technologically sophisticated and literate

society mimicking that of humans. They come to the aid of Mrs. Frisby, a widowed field mouse who seeks to protect her children and home from destruction by a farmer's plow. e8fc15f40b == Gameplay == e8fc15f40b In contrast to other Australian children's game shows such as Sharky's Friends, A\*mazing, and Go Go Stop, which are filmed on a large set in front of a live studio audience, Lab Rats Challenge uses several smaller sets resembling an abandoned science laboratory as well as special effects sequences inserted in post-production. It is filmed in Brisbane's Channel 9 studio on Mount Coot-tha, Queensland. e8fc15f40b

Lab Rats (American TV series) The series stars Billy Unger, Spencer Boldman, Kelli Berglund, Tyrel Jackson Williams, and Hal Sparks. Lab Rats is an American comedy television series created by Chris Peterson and Bryan Moore that aired on Disney XD from February 27, 2012 to February 3 Lab Rats is an American comedy television series created by Chris Peterson and Bryan Moore that aired on Disney XD from February 27, 2012 to February 3, 2016 e8fc15f40b

Iannucci stated that the programme would be a traditional-style sitcom recorded in front of a live audience. He hinted that it will be a "very cartoony" show featuring "lots of giant snails". e8fc15f40b Labrat, lab rat, or lab rats may also refer to: e8fc15f40b == Setting == e8fc15f40b

Lab Rats: Elite Force The series is a combined spinoff of Lab Rats and Mighty Med and stars William Brent, Bradley Steven Perry, Jake Short, Paris Berelc, and Kelli Berglund. Lab Rats: Elite Force is an American comedy television series created by Chris Peterson and Bryan Moore that aired on Disney XD from March 2 to October Lab Rats: Elite Force is an American comedy television series created by Chris Peterson and Bryan Moore that aired on Disney XD from March 2 to October 22, 2016 e8fc15f40b

== Plot == e8fc15f40b As the series progresses, the series introduces various new characters, including Davenport's younger brother Douglas and Douglas' android son Marcus; Krane and his bionic soldiers Taylor, formerly known as S-1, and Sebastian, formerly known as S-3; and scientist Giselle and her android Troy

West. In the third season, Davenport opens up a bionic academy on a bionic island to train Krane's soldiers to be the world's new bionic heroes. The programme involves two teams of three children - referred to as the Red Team and the Yellow Team - taking part in science-related challenges to win prizes at the end of the show. The prizes for the winning team are announced, as well as the losing team, and would blow up the losing teams prizes. Hammond has taken an approach that has come from years of working on Top Gear with elements of Brainiac: Science Abuse. The show also features Hammond's prized 1963 Opel Kadett car named "Oliver", which he acquired for the Top Gear: Botswana Special. Hammond's "Ninja Nan", who acts as security at the Blast Lab (and who never speaks), is introduced at the start of each episode as substitute for SAS guards who, for a different reason in each episode, are absent. Ninja Nan also displays the prizes the winning team will be taking home with them, as well as those the losing team would have won, after the final challenge, which is called the 'Messy Messy Mess Test' and involves both teams and a large... A pilot was announced as part of a series called

"Behind Closed Doors" in autumn 2006, but was never broadcast. A series of six episodes was broadcast in 2008. The show was not recommissioned for further series. This book was the winner of numerous awards including the 1972 Newbery Medal. Ten years following its publication, the story was adapted for film as *The Secret of NIMH* (1982).

Richard Hammond's *Blast Lab* servant-like men which Hammond refers to as "Lab Rats" also appear in every episode. It was hosted by Richard Hammond. Lab Rats, who wear lab coats that have one half red and the other half blue. *Richard Hammond's Blast Lab* is a children's game show that aired from 3 January 2009 to 6 October 2011, first on BBC Two, then on CBBC Channel and then on BBC One

A young teenager named Leo Dooley lives a normal life until the day his mother Tasha marries billionaire inventor Donald Davenport, with whom they move in. While trying to find his bedroom, Leo accidentally discovers teenage siblings with bionic superpowers living in his new basement. The series follows the bionic

teens as they unravel in adventurous situations in an attempt to live life like a normal family in the fictional town of Mission Creek, California. e8fc15f40b Lucifer and Lilith are making love and expelled by the group for being too loud. After an argument, Lucifer becomes intoxicated and is attacked and knocked into the sewer where he is devoured. At the same time a sleeping Lilith is attacked and eaten from the inside. A rat later emerges from her mouth when her corpse... e8fc15f40b After O'Brien's death in 1973, his daughter Jane Leslie Conly wrote two sequels to Mrs. Frisby and the Rats of NIMH. e8fc15f40b

Rats: Night of Terror themselves trapped in an abandoned research lab fighting for their lives against hordes of bloodthirsty killer rats. Set 225 years after a nuclear holocaust Rats: Night of Terror (Italian: Rats - Notte di terrore) is a 1984 post-apocalyptic horror film directed by Bruno Mattei about a biker-gang that find themselves trapped in an abandoned research lab fighting for their lives against hordes of bloodthirsty killer rats e8fc15f40b

Mrs. Frisby and the Rats of NIMH The novel was published by the Los Angeles publishing house Atheneum Books. O'Brien, with illustrations by Zena Bernstein. The novel revolves around a colony of escaped lab rats—the rats of NIMH—who live in a technologically sophisticated and literate society Mrs. Secret of NIMH (1982). Frisby and the Rats of NIMH is a 1971 children's science fiction/fantasy book by Robert C

Mrs. Frisby, a recently widowed mouse, lives with her four children in a cinder block in a field belonging to a farmer named Mr. Fitzgibbon. Her son Timothy falls ill with pneumonia just as the...  
e8fc15f40b The challenges on the show are born from science experiments, such as guessing how many drops of water will fit on a twenty cent coin. Each episode's final challenge, The Labyrinth, features the children competitors racing through a series of physical and mental challenges. The 1st pair to make it through the labyrinth gets cheesed at the end. This is similar... e8fc15f40b The rats of NIMH were inspired by the research of John B. Calhoun on mouse and rat population

dynamics at the National Institute of Mental Health from the 1940s to the 1960s. e8fc15f40b == Premise == e8fc15f40b

Laboratory rat "Lab rat" is commonly used as an idiom for a test subject. Laboratory rats, or lab rats, is a term that refers to specific strains of domestic brown rats (fancy rats) who are bred and used for scientific research Laboratory rats, or lab rats, is a term that refers to specific strains of domestic brown rats (fancy rats) who are bred and used for scientific research. While less commonly used for research than laboratory mice, rats have served as an important animal model for research in psychology and biomedical science e8fc15f40b

Davenport has come up with a plan to form an elite team of bionic heroes and superheroes to fight a common threat from their headquarters in Centium City. He puts his plan into action after villains have destroyed Mighty Med Hospital. e8fc15f40b Set 225 years after a nuclear holocaust in 2015 in the modern day, the survivors are divided between those who live in comfortable underground cities and

the "New Primitives" who live in the sunlight. A group of 11 of these people come across a mysterious, abandoned village. Despite the presence of numerous horribly mutilated corpses, the adventurers decide to settle in town after discovering a large amount of food, a greenhouse with various fruit trees and a reservoir of drinking water. The following night hundreds and hundreds of hungry genetically mutated rats are ready to attack them one by one. e8fc15f40b

Lab rat (disambiguation) research. Labrat, lab rat, or lab rats may also refer to: Dunash ben Labrat (920–990), medieval Jewish commentator, poet, and grammarian Paul &quot;Lab Rat&quot; Squirfenherder A laboratory rat is a rat of the species *Rattus norvegicus* which is bred and kept for scientific research e8fc15f40b
