In the United States, the mortality rate for legal abortions overall is less than 1 in 100,000 procedures performed. The rate of mortality and morbidity increases with the gestational age of the fetus, so patients who have decided to have an abortion are strongly encouraged to get it early. Still, later abortion is not associated with any greater net negative physical or mental health outcomes... 6081bb9aa1 The film won three awards at the 2007 Cannes Film Festival,

including the Palme d'Or. It went on to win numerous honours, including Best Film at the European Film Awards and Romania's national Gopo Awards. 4 Months, 3 Weeks and 2 Days became the subject of some controversy over censorship, the abortion debate... 6081bb9aa1
