Even the NCLEX intervened. -Howard the Duck 03:56, 4 June 2009 (UTC) The figures don't Archived discussion for June 2009 from Wikipedia:In the news section on the Main Page/Candidates 64e1b961ea

Delirium tremens typically occurs only in people with a high intake of alcohol for prolonged periods of time, followed by sharply reduced intake. A similar syndrome may occur with benzodiazepine and barbiturate withdrawal, however the term delirium tremens is reserved for alcohol withdrawal. In a person with delirium tremens, it is important to rule out other associated problems such as electrolyte abnormalities, pancreatitis, and alcoholic hepatitis. 64e1b961ea Manhattanville sits on a 100 acre campus designed by Fredrick Law Olmsted. The architectural and administrative centerpiece of the Manhattanville campus is Reid Hall (1864) which was named after Whitelaw Reid, publisher and owner of the New-York Tribune. Next to Reid Hall stand academic buildings on one side and on the other residence halls around a central quad designed by the landscape architect Frederick Law Olmsted. Other historic buildings include: the Lady Chapel designed by Maya Lin; the President's Cottage known as the Barbara Debs House; the old Stables; and Water Tower. 64e1b961ea

Massage " In some provinces of Canada, they are called "registered massage therapists. Massage techniques are commonly applied with hands, fingers, elbows, knees, forearms, feet, or a device. Illustrated Study Guide for the NCLEX-RN Exam E-Book: Illustrated Study Guide for the NCLEX-RN Exam E-Book. Elsevier Health Sciences Massage is the rubbing or kneading of the body's soft tissues. The purpose of massage is generally for the treatment of body stress or pain. In the United States, these individuals are often referred to as "massage therapists. ". In English-speaking European countries, traditionally a person professionally trained to give massages is known by the gendered French loanwords masseur (male) or masseuse (female). Licensure Examination (NCLEX), meaning all recent graduates from the Bachelor of Science in Nursing program
Manhattanville University is a private university in Purchase, New York, United States 64e1b961ea

The nursing shortage is not necessarily due to the lack of trained nurses. In some cases, the scarcity occurs simultaneously with increased admission rates of students into nursing schools. Potential factors include lack of adequate staffing ratios, lack of placement programs for newly trained nurses, inadequate worker retention incentives and inability for students to complete schooling in general. This issue can continue further into the workforce with veteran workers as well as burnout in the healthcare field is one of the largest reasons for the nursing shortage... 64e1b961ea
