== Nutrition == 2e6926323f On September 10, 2003, Boylan was acquired by Emigrant Bank in conjunction with the private equity firm The Courtney Group. The acquisition was the first transaction in the beverage sector for both purchasers, and their first in New Jersey, where Boylan's headquarters were then located in Teterboro. As part of the transaction, Emigrant Capital executive-in-residence... 2e6926323f The alcohol content of chūhai sold in bars and restaurants can be quite low, allowing those with a low tolerance for alcohol to drink safely. Canned chūhai, however, can have higher levels of alcohol and is often sold in convenience stores and from vending machines. Although the amount varies (usually starting at 3%), canned chūhai contains less than 10% alcohol in Japan, as anything higher triggers a higher tax rate. Chūhai is served in tall glasses or mugs as drinks for individuals, making it less social than other traditional Japanese bar drinks like sake, beer, or whisky, which can be shared by pouring portions from a large bottle. Fresh chūhai or nama chūhai (生ハイ) is also sometimes served, featuring fresh-squeezed... 2e6926323f Mango Citrus (mango, kiwifruit, dragon fruit,

granadilla, and banana) 2e6926323f

Chūhai place of shōchū, and beverage companies have diversified into a variety of flavors, including lime, grapefruit, apple, orange, pineapple, grape, kyoho Chūhai (葡萄青 or 葡萄), an abbreviation of "shōchū highball" (葡萄青ハイボール), is an alcoholic drink originating from Japan 2e6926323f
