Anointing of the sick should be distinguished from other religious anointings that occur in relation to other sacraments, in particular baptism, confirmation and ordination, and also in the coronation of a monarch. Going back to the time of Hippocrates, many people thought that fever was a disease in and of itself. His treatment of patients with fever was said to be starvation. The Greek physician has been credited with coming up with the idea, "Feed a cold and starve a fever". Hippocrates thought that starving the fever was a way to starve the disease. He said "The more you feed a diseased body, the worse you make it." == Plot == Since 1972, the Roman Catholic Church has used the name "Anointing of the Sick" both in the English translations issued by the Holy See of its official documents in Latin and in the English official documents of Episcopal conferences. It did not forbid the use of other names, such as the more archaic term "Unction of the Sick" or the term "Extreme Unction": Cardinal Walter Kasper used the latter term in his intervention at the 2005 Assembly of the Synod of Bishops....

Regarding the album's producer Ross Robinson, vocalist Scooter Ward stated "Ross is, to me, the best metal producer you can get. He just drags the heaviness out of everything, like with Slipknot. It's amazing what he does. When you record with Ross one time, you gotta give it your all. You have to go off like you would onstage." 7d7f6f84ae == Background == 7d7f6f84ae When they began recording the album in 1997, Cold were known as Grundig. During the recording process, Ward learned that German stereo manufacturer Grundig was trying to sue him and the band for \$300,000 over use of its name. Ward reflected "I thought, what are you talking about? We don't have any money. Everybody was throwing names around. Wes, the Limp Bizkit guitarist, said he had a great idea: Cold. It was the perfect name. It fits the music." 7d7f6f84ae Recording for the album was done in two sessions in 2014 and 2015. Initial recording was done in Barnes' home studio, with the band working six hours a day on each song. Barnes said, "We recorded this album in two sittings - the first sitting was at my place and we did nine songs, and then about eight months later we did 10 songs at 301." Barnes later said that the album was easy to make, largely because it was the first he had recorded sober. 7d7f6f84ae == Plot == 7d7f6f84ae

The adage states that eating will help cure a cold; not eating will help cure a fever. Scientific medicine does not support this advice, instead recommending rest and hydration. Adequate nutrition is required for the immune system to fight any infection, but no evidence supports any high dose supplements except potentially zinc. 7d7f6f84ae Almost everybody has been ill and they all blame it on Mitchell and Cameron. Phil (Ty Burrell) notices, while watching the video tape of Mitchell (Jesse Tyler Ferguson) and Cameron's (Eric Stonestreet) wedding, that he was the one who caused the illness, due to him being sick: he sneezed on the cake, he sneezed on the champagne that Mitchell drank and he sneezed in a tissue that Mitchell used to clean himself. As everybody is healed, it is now Claire's (Julie Bowen) turn to be ill. Not wanting to be discovered as "patient zero", Phil asks Luke (Nolan Gould) to help him edit the video without ruining Jay's speech and Luke agrees to do it. They plan to add new sequences in order to minimize the incident, Luke must laugh and Phil must react to Jay's speech. However, the result is not what they hoped for: Luke's laugh is not what Phil expected, Phil appears at a table, while another Phil appears in the background, walking and eating... 7d7f6f84ae
