HIStory includes appearances by Janet Jackson, Shaquille O'Neal, Slash, and the Notorious B.I.G. Its genres span pop, R&B, and hip hop with elements of hard rock and funk rock. Lyrical themes include environmental awareness, isolation, greed, and injustice. Several songs pertain to the child sexual abuse allegations made against Jackson in 1993 and Jackson's perceived mistreatment by the media. After signing to Fueled by Ramen and releasing their debut EP on a major record label, Model Citizen (2021), the band initially planned to release their debut album in 2022. However, by June 2022, despite recording progressing well, the album was pushed back to early 2023. The band worked with music producer John Fields and collaborated with writer and producer John Ryan on the album as well. On November 30, 2014, at the Soul Train Awards, Jodeci reunited and performed a medley of... The album also contains three of Mark 'Oh's old songs: Randy (Never Stop That Feeling), Mark 'Oh's first single, released in 1993., Tears Don't Lie released by Mark 'Oh in 1994., and Your Love released by Mark 'Oh in 1999.

On October 20, 2014, it was announced by Centric and BET that Jodeci would be making their way back onto the music scene after a hiatus of nearly two decades at the 2014 Soul Train Awards by performing a medley of their hits, and also debuting a new song titled "Nobody Wins", their first single in 18 years, which features rapper B.o.B. Group member Mr. Dalvin explained the long-awaited release of their new music to Yahoo Music. The storyline alternates between the present year of 1980 and the future year of 2013. In the future, Sentinels rule a dystopian United States, and mutants are hunted and placed in internment... The storyline was produced during the franchise's rise to popularity under the writer/artist team of Chris Claremont, John Byrne and Terry Austin. The dark future seen in the story has been revisited numerous times, and was the basis for the 2014 film *X-Men: Days of Future Past*, wherein Wolverine is projected back in time. In 2001, fans voted the first issue of this storyline as the 25th greatest Marvel comic. == Plot == Past, Present and Future (1987), a book by Isaac Asimov == Track listing ==
