Development of New Horizons began in 2012, following the release of Animal Crossing: New Leaf. The game director, Aya Kyogoku, retained content from previous games to keep fans happy and also ensured that the game was simple enough to appeal to newcomers. With art and graphics, the developers used the concept of "trigger of play" and the "imagination gap", where the former kept the gameplay simplistic and easy to pick up while the latter

kept the art style simple for the player to imagine the rest. The game was announced during a Nintendo Direct in September 2018 and after an extended development period, was released worldwide on March 20, 2020. 4fe5182748
