The definition of the subject does not include compulsory cesarean sections for medical reasons nor child removal from parents for court-approved child protection. However, the "Children of the Disappeared" (desaparecidos) in the Argentine Dirty War are an example of criminal fetal abduction in state institutions as detailed by testimonies on cesarean delivery on desaparecidas and child adoption in a military hospital. Historical cases of cesarean extraction for fetal murder (not for child adoption) fall outside the subject definition. f566665075 The comic book series focuses on a group of British adults who are drawn back to an icosahedron-shaped world they originally visited as teenagers; the group left behind a friend upon their original escape and never discussed the experience.
