Ferdinand, married to Queen Sancha, has become King of León by defeating in battle Sancha's brother, Bermudo. Sancha was next in line to the throne when Ferdinand seized the opportunity to become king after Bermudo's death. Sancha plots with a group of Leonese nobles, notably Flaín, Count of León, and Ruy's grandfather Rodrigo, to overthrow her husband and take the throne that rightfully belongs to her. Sancha is torn between her desire to be queen and her love for her husband. She does not want him harmed, but the nobles have other ideas. Children's literature was never in her plans, it emerged spontaneously when she was 22 years old as a way of exploring her own feelings, looking for answers in a time of personal crisis. When the first editor that read her stories told her it was children's literature, María Fernanda was stunned.

A candidate needs to win 45% of the vote, or win 40% of the vote while finishing more than 10 percentage points ahead of the second-place candidate in order to win the presidency in the first round and avoid the second round occurring. This was not the case here, as the leading candidate had 36.7% of the vote, so a second round has been scheduled for 19 November 2023. In the early 1980s, Spanish democracy was far from being consolidated. The failed coup d'état attempt on 23 February 1981 made evident the discontent which existed among some high-ranking military officials about the economic and political crisis that the country was suffering, as well as the numerous attacks by ETA against members of the army, National Police Corps and Civil Guard.
