Definitions of pain vary, but most involve the ability of the nervous system to detect and reflexively react to harmful stimuli by avoiding it, and the ability to subjectively experience suffering. Suffering cannot be directly measured in other animals. Responses to putatively painful stimuli can be measured, but not the experience itself. To address this problem when assessing the capacity of other species to experience pain, argument by analogy is sometimes used. 199153034d

There is a scientific debate which questions whether crustaceans experience pain. It is a complex mental state, with a distinct perceptual quality but also associated with suffering, which is an emotional state. Because of this complexity, the presence of pain in an animal, or another human for that matter, cannot be determined unambiguously using observational methods, but the conclusion that animals experience pain is often inferred on the basis of likely presence of phenomenal consciousness which is deduced from comparative brain physiology as well as physical and behavioural reactions 199153034d

Critics praised "Who Is It" as exuberant and catchy. It peaked in the top five on the single charts in Spain and reached the top 30 in Italy and the United Kingdom. The music video was directed by Dawn Shadforth and shot outdoors in Iceland, and features Björk in a bell-shaped dress designed by Alexander McQueen. During the

== Music video == 199153034d *Take Me Home* was Cher's first album of 1979, and also her first released by Casablanca Records. It was produced by Bob Esty and Ron Dante, and most of the songs were written by Michele Aller and Bob Esty. This marked the beginning of her brief venture into disco music. Much to Cher's chagrin, she was pressured into recording an album of this genre. From the album came a major comeback hit, "Take Me Home". She contributed a lyrically self-penned song about her failed marriage to Gregg Allman on the closing ballad, "My Song (Too Far Gone)". This album is dedicated to "Butterfly". 199153034d The album includes four successful singles, released in 1962 and 1963: "These Arms of Mine", "That's What My Heart Needs", "Security", and the title track. Since Billboard did not publish an R&B singles chart from late 1963 to early 1965, the R&B chart peaks of the latter two singles are unknown. 199153034d The name "Pain of Salvation" was devised by Daniel Gildenlöw, who interpreted the name as having "the meaning of balance. Taking the good with the bad. It is also a good expression in everyday use: when something does not go the way you planned, [the phrase 'pain of salvation'] indicates that this is just a slight setback on an otherwise painless journey towards your goal". 199153034d The opening theme of the podcast... 199153034d Commercially, the album debuted at number 75 on the Billboard 200 on the issue date of February 10, 1979, reaching its peak position, 25, on May 12.
