At that time, the music, dance, language (first Dravida Bhasha – "Dravidian language (possibly Proto-Tamil)" – then Tamil), and Sangam (a vast corpus of Tamil literature composed between 1,500–2,000 years ago) found in Kerala were all similar to that found in the rest of Thamizhagom (today's Tamil Nadu). The culture of Kerala evolved through the Sanskritization of Dravidian ethos, revivalism of religious movements and reform movements against caste discrimination. b0a4761ef0 During the course of the evening, Agnes displays a confidence and assertiveness that contrasts with Balachandran... b0a4761ef0 After research, Balaraju closes on Balu who is an herb selling fraudster. He comes from a family that is well-respected in the village. However, things have changed now; labourers are no more the bonded slaves who used to bend over for their landlords.
