In 2011, they created a mobile app. Users were able to link to Yahoo! Answers. Charles Darwin, for example, was reported to have disavowed his theory of evolution in favor of traditional religious faith at his death. This widely disseminated report served the interests of those who opposed Darwin's theory on religious grounds. However, the putative witness had not been at Darwin's deathbed or seen him at any time near the end of his life.
