Having survived a sexual assault in her teens, Pavan Amara realised in her twenties she was having trouble accessing healthcare and when she spoke to other women she realised many people had issues resulting from trauma. She therefore decided to set up the My Body Back Project in

August 2014. She intended it to provide a website which could be useful for survivors of sexual assault and also a support network. She also wanted it to help medical professionals help survivors better. My Body Back became a group which would provide healthcare and also sex and relationship support groups aimed specifically at women and trans people who have survived sexual assault. It is a non-profit organisation. Amara wanted to provide physical and practical resources. 0e4381377f A founding principle of the NHS was providing free healthcare at the point of use. The 1942 cross-party Beveridge Report established the principles of the NHS which was implemented by the government, whilst under Labour control in 1948 and the NHS was officially launched at Park Hospital in Davyhulme, near Manchester, England (now known as Trafford General Hospital). Labour's Minister for Health Aneurin Bevan is popularly considered the NHS's founder, despite never formally being referred to as such. In practice, "free at the point of use" normally means that anyone... 0e4381377f

My Body Back It was established at the The My Body Back Project was set up in London by Pavan Amara in August 2014. for survivors of sexual assault, My Body Back set up the UK's first such clinic in 2016 together with Barts Health NHS Trust. First intended as a website and support network for survivors of sexual assault, it has expanded its scope into first a sexual health clinic and then other projects such as a maternity clinic, a photography project and various workshops 0e4381377f
