Cross-stitch Sometimes cross-stitch is done on designs Cross-stitch is a form of sewing and a popular form of counted-thread embroidery in which X-shaped stitches (called cross stitches) in a tiled, raster-like pattern are used to form a picture. Sometimes cross-stitch is done on designs printed on the fabric (stamped cross-stitch); the stitcher simply stitches over the printed pattern. The stitcher counts the threads on a piece of evenweave fabric (such as linen) in each direction so that the stitches are of uniform size and appearance. This form of cross-stitch is also called counted cross-stitch in order to distinguish it from other forms of cross-stitch. Cross-stitch is often executed on easily countable fabric called aida cloth, whose weave creates a plainly visible grid of squares with holes for the needle at each corner. form of cross-stitch is also called counted cross-stitch in order to distinguish it from other forms of cross-
