The accounts also differ on the date of his arrival. One early account claims that he... 318be28e71 It's a photo I took, as a photographer for local events. Where do I upload? I don't see that, thanks so much. Candice Wilmore (talk) 03:02, 27 October 2022 (UTC) 318be28e71 Archives are generally grouped by month of Main Page appearance. (Currently, DYK hooks are archived according to the date and time that they were taken off the Main Page.) To find which archive contains the fact that appeared on Did you know, go to the article's talk page and follow the archive link in the DYK talk page message box or the Article Milestones box. 318be28e71 == Biography == 318be28e71 The belief in the existence of an afterlife, as well as manifestations of the spirits of the dead, is widespread, dating back to animism or ancestor worship in pre-literate cultures. Certain religious practices—funeral rites, exorcisms, and some practices of spiritualism and ritual magic—are specifically designed to rest the spirits of the dead. Ghosts are generally described as solitary, human-like essences, though stories of ghostly armies and the ghosts of animals other than humans have also been recounted. They are believed to haunt particular locations, objects, or people they were associated... 318be28e71 Little contemporary

biographical information on Bodhidharma exists, and subsequent accounts are layered with legend and unreliable details. According to the principal Chinese sources, Bodhidharma came from the Western Regions, which typically refers to modern-day Xinjiang and Central Asia but can also include the Indian subcontinent. He is described as either a "Persian Central Asian" or a "South Indian [...] the third son of a great Indian king." Aside from the Chinese accounts, several popular traditions also exist regarding Bodhidharma's origins. Throughout Buddhist art, Bodhidharma is depicted as an ill-tempered, large-nosed, profusely bearded, wide-eyed non-Chinese person. 318be28e71

Bodhidharma the Yijin Jing; or that his legs atrophied after nine years of sitting, which is why Daruma dolls have no legs. In one legend, Bodhidharma refused to Bodhidharma was a semi-legendary Buddhist monk who lived during the 5th or 6th century CE. He is also popularly regarded as the founder of Shaolin kung fu, an idea popularized in the 20th century, but based on the 17th-century Yijin Jing and the Daoist association of daoyin gymnastics with Bodhidharma. He is traditionally credited as the transmitter of Chan Buddhism to China, and is regarded as its first Chinese patriarch 318be28e71

(for people known primarily as directors, see separate section Directors below) 318be28e71 He is described as the most renowned and revered scholar, judge and teacher of his time. He is highly regarded for his profound knowledge in all of the sciences and his books of various subjects became a reference for later scholars. He is deemed to be the mujaddid of the 9th century Hijri. He is regarded as the mujtahid and

foremost authority in the Shafi'i school. According to the Shafi'i tradition, the most famous usage for "Shaykh al-Islām" is with Zakariyya al-Ansari. 318be28e71

Advice? Candice Wilmore (talk) 17:13, 26 October 2022 (UTC) 318be28e71 Hi Candice Wilmore. If you took the photos yourself, then in principle you would be the copyright holder and could upload the photos to Wikimedia Commons under a free license if you want. Now, I say "in principle" because what take a photo of can in some cases be protected by copyright on its own merits, separate of the copyright you create when taking of photo; moreover, in still some other cases, taking a photo of something may not generate a new copyright... 318be28e71 this should be simple but I'm having trouble inserting an image into a biography page. 318be28e71 (alphabetized by first name) 318be28e71

Ghost In ghostlore, descriptions of ghosts vary widely, from an invisible presence to translucent or barely visible wispy shapes to realistic, lifelike forms, whether they resemble humans or animals. The deliberate attempt to contact the spirit of a deceased person is known as necromancy, or in spiritism as a séance. of progressive posterior cortical atrophy (PCA) with vivid hallucination: are some ghost tales vivid hallucinations in normal people. Mian In folklore, a ghost is the soul or spirit of a dead person or non-human animal that is believed by some people to be able to appear to the living. Other terms associated with it are apparition, haunt, haint, phantom, poltergeist, shade, specter, spirit, spook, wraith, demon, and ghoul. Furuya et al 318be28e71
