Following the success of AfterBuzz TV, Menounos and producer Undergaro decided to create an interview series with celebrities. Undergaro states, "I listened to an interview with Dick Cavett on Alec Baldwin's podcast, and in the interview Dick stated that there was a time when the networks needed tapes to record on so they would reuse a lot of his tapes which had interviews with major celebrities of the time. All those great interviews are now lost. Maria and I felt with so many celebrities in today's era, their stories needed to be captured and preserved for decades to come." 35add6567a
