

How To Tell Of Beef Is Bad

Feeling helpless at his inability... The story then moves to the protagonist Dr. Kim Reggis who is going through a bad divorce. On a night out with his daughter Becky, he takes her to the nearby fast food chain, Onion Ring Burgers. There she eats a rare steak burger. The beef in the burger is revealed to have come from the cow mentioned at the start of the book. The next day Becky begins having loose motions and severe body pain. Kim and his estranged wife Tracy rush her into the emergency care unit of the hospital he works in. However he is ignored there which infuriates him. The doctors confirm that she has been infected by E. coli's renegade strain O157:H7 which is resistant to most antibiotics. Becky's condition begin to deteriorate rapidly.
