Updating the good article nominations process 0d17cbbf59 First strike: this article reads like a CV. We've got a nice little list of his achievements and some of his publications. The sources provided are all primary and/or non-independent - we have his profile from two different employer websites, an opinion piece by him, an article by him in the San Jose Business Journal, and a trivial mention of his name because he was the editor of the publication being discussed. 0d17cbbf59

In pursuit of a musical career, Scherzinger accepted an offer to sing background vocals to American rock band Days of the New's second self-titled album and its supporting tour. She later found mild success with Eden's Crush, a girl group created through The WB's television talent competition Popstars. Scherzinger pursued further acting and music opportunities, before gaining international recognition as the lead singer of the girl group the Pussycat Dolls, which released two albums and sold over 55 million records worldwide. Following the group's initial disbandment, Scherzinger pursued a solo career, releasing the albums Killer Love (2011) and Big Fat Lie (2014). 0d17cbbf59 @Premeditated Chaos: I have no idea why I de-prodded this thing. He routinely removes our messages on his user talk. [5] On the plus side, he's apologizing and conceding wrongdoing in his edit summaries. Unclear why the de-PROD was made exactly - the IP PROD'd a run of about a dozen articles in a very short time, so I'm guessing it was more of an objection to the PROD spree than a strong belief in this particular guy's notability. ♠PMC♠ (talk) 23:42, 5 January 2020 (UTC)reply Ethnic slurs may also be produced as a racial epithet by combining a general-purpose insult with the name of ethnicity. Common insulting modifiers include "dog", "pig", "dirty" and "filthy"; such terms are not included in this list.
