Hard Times is unusual in several ways. It is by far the shortest of Dickens's novels, barely a quarter of the length of those written immediately before and after it. Also, unlike all but one of his other novels, *Hard Times* has neither a preface nor illustrations. Moreover, it is his only novel without scenes set in London. Instead, the story is set in the fictitious Victorian industrial town of Coketown, a generic Northern English mill town, in some ways similar to Manchester, though smaller. Coketown may be partially based on 19th-century Preston. e1d3ecbb7c Gibson's original source material was *The Story of My Life*, the 1903 autobiography of Helen Keller. By some definitions, construction workers may be engaged in manual labour as unskilled or semi-skilled workers. These workers typically start with basic tasks such as digging, cleaning, and unloading equipment. As they gain experience, they begin to specialize in areas like roofing, concrete work, electric work, pipefitting, structural work, or carpentry. Over time, some pursue certifications and formal training to earn qualifications and advance in their careers. In other words, they may be skilled tradespeople, or they may be supervisors or managerial personnel.

Some extend the use of the term to include "support personnel" such as managers, agents, videographers, club bouncers, and others. The debate over sex work is often characterized as an issue of women's rights, especially by those who argue that prostitution is inherently oppressive and seek to criminalize it or keep it illegal, but in fact, there are also many male and non-binary individuals engaged in providing sexual services. Most sex workers do not wish to... e1d3ecbb7c
