You can use the list to generate your own lists in whatever language you're learning and to test yourself. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource b0b2299111

Momoa was born on August 1, 1979, in Honolulu, Hawaii, to Coni (née Lemke), a photographer, and Joseph Momoa, a painter. He is an only child. His father is Native Hawaiian, while his mother is of German, Irish, and Pawnee ancestry. Shortly after his birth, his parents divorced and he and his mother... Previous peer review == A == Zarya was seen by some as a response to criticisms against the game's original previewed female cast. Well received since her debut, her appearance has been cited as a positive deviation from the standard female character design and inspirational by others. Despite her sexuality not being explicitly discussed by Blizzard, many Western fans have viewed... *Beavis and Butt-Head* are the titular characters and protagonists of the show. The two are portrayed as scrawny, dimwitted teenaged delinquents who are fans of heavy metal music with little regard to anything outside themselves, eternally driven by their desire to "score". The two live in an empty house with a couch and a television set located in the fictional Highland, Texas, attend Highland High, and work at the fast food chain Burger World. Their age is never specified, but creator Mike Judge said they're "probably" 15. == Religion == Sandé's first solo single, "Heaven", was released in August 2011. She peaked atop both the UK singles chart and Irish singles chart twice with her guest appearance on Professor Green's single "Read All About It" that same year, and her 2012 single "Beneath Your Beautiful" (with Labrinth). Her debut studio album, *Our Version of Events* (2012), spent ten non-consecutive weeks atop the UK albums chart, and, with one million domestic sales, became the best-selling UK album of 2012. That same year, she performed in both the opening and closing ceremonies of the London Olympics. She won Best British Female Solo Artist and British... The second edition of the *Advanced Dungeons & Dragons* game features both a higher number of books of monsters—"many tied to their growing stable of campaign worlds"—and more extensive monster descriptions than both earlier and later editions, with usually one page in length. Next to a description, monster entries in this edition contained standardized sections covering combat, their habit and society, and their role in the eco-system. While later editions gave the various creatures all the attributes which player characters had, 2nd edition only listed intelligence, a characteristic important for creating challenging encounters in the game. === Cancer ===
