The story concerns Charles, a thirteen-year-old boy who is suffering from a severe illness. The local doctor diagnoses it as scarlet fever, but Charles protests that his hand has "changed" and is no longer under his control. He claims that he has been infected by microbes that are not only causing illness, but literally taking over his body and forming a new being. The doctor, however, assures Charles's parents that this is all in his imagination—a fever dream brought on by his illness. 65e578c7bc The franchise began in 1922 as a silent short subject series produced by the Roach studio and released by Pathé Exchange. Roach changed distributors from Pathé to Metro-Goldwyn-Mayer (MGM) in 1927, and the series entered its most popular period after converting to sound in 1929. Production continued at Roach until 1938, when the Our Gang production unit was sold to... 65e578c7bc == Plot == 65e578c7bc Diary of a Wimpy Kid Christmas: Cabin Fever was produced by Walt Disney Pictures and Bardel Entertainment, with the latter providing animation services, and it was released on Disney+, as an original film, on December 8, 2023.
