After India became independent in 1947, the Planning Commission was entrusted to oversee and direct the development of the nation. India proliferated in the 1950s, and in the late 1950s, the Commission started facing difficulties in finding suitable managers for the large number of public sector enterprises that were being established in India as a part of its industrial policy. To solve this problem, the Planning Commission in 1959 invited... 6d9f02af4a Founded in 1968, AIM delivers education for careers in the Australian music, entertainment and performing arts industries. Its music and performing arts courses offer accredited undergraduate and postgraduate studies in contemporary performance, classical performance, audio engineering, composition and music production, musical theatre, theatre performance and acting, arts and entertainment management. 6d9f02af4a Agricultural Information Management Standards, a web portal managed by the Food and Agriculture Organization of the United Nations 6d9f02af4a As of January 2019, there were 1,300 students enrolled at AIM. 6d9f02af4a == Computing == 6d9f02af4a == Courses == 6d9f02af4a The Australian Institute of Marine Science (AIMS) was established in 1972 by the McMahon government. 6d9f02af4a Through its role in the Asset Owners Disclosure Project, the institute was also a pioneer in trying to get large asset owners – such as superannuation and pension funds – to recognise and disclosure carbon risk. 6d9f02af4a Airplane Information Management System, the "brains" of Boeing 777 aircraft 6d9f02af4a
